

Rica D. Namoro

Software Developer

I have experience in developing and maintaining software and web applications. Skilled in working with databases, APIs, and software development tools. My experience also includes collaborating with cross-functional teams to deliver high-quality software solutions on time.

Work Experience

Web Developer

Cinnamon Experience

August 2022 – December 2024

- Developed and maintained an e-commerce website specializing in event ticketing and activities marketing.
- Wrote efficient and scalable front-end and back-end code using .NET and Blazor frameworks.
- Integrated third-party APIs for seamless functionality and developed custom APIs to enhance system capabilities.
- Conducted extensive testing and debugging to ensure high-quality and error-free code deployment.
- Collaborated with cross-functional teams, including designers, developers, and testers, in an agile development environment.
- Ensured a user-friendly and responsive interface, optimizing for both desktop and mobile experiences.
- Applied problem-solving skills and analytical thinking to resolve complex issues and enhance overall site performance.

Associate Systems Developer

Sumidenso Automotive Technologies Asia Corporation

March 2021– May 2022

- Develop local administrative systems in collaboration with team members (HR, Finance and Production systems).
- Collaborating with management, departments, and customers to identify end-user requirements and specifications
- Testing and deploying programs and applications
- Troubleshooting, debugging, maintaining, and improving existing systems.
- Write documentation and operating manual.
